

With America still reeling with devastating unemployment, the National Association of Letter Carriers (NALC) *Stamp Out Hunger Food Drive* comes at a critical time. Food banks across the state are seeing an unprecedented crisis as requests rise beyond what many can support.

It's so easy to help. The NALC works in partnership with AFL-CIO Community Services, United Way Worldwide, and the network of food banks across the country to help people in need. All you have to do is place a box or can of non-perishable food next to your mailbox before your mail carrier arrives on **Saturday, May 12th**. The carrier will take the food back to the post office, where it is sorted and delivered by union volunteers to local food pantries.

The Stamp Out Hunger Food Drive is the largest one day food drive in the nation. Last year, over 70 million pounds of food were collected, which helped feed an estimated 30 million people who face hunger every day in our country.

We are asking for your help to promote the event to your members. With the support of our sisters and brothers across Pennsylvania, NALC can set a record in collections, and help unemployed workers through these difficult economic times.

Thank you for supporting the May 12, 2012 *NALC Stamp Out Hunger Food Drive*,

Richard Bloomingdale, President
Frank Snyder, Secretary-Treasurer
